

ELASTIC CITY

Dear <<First Name>>,

Next year brings some big news: as part of our regular season, Elastic City will partner with The New Museum! We are still working out all the details but this is thrilling for me and big for the participatory walk genre. Only Elastic City brings artists from their respective disciplines into the walk form to share their expertise with participants. [Now, we need your help.](#)

I'm asking you, if you've ever been on a walk or even thought about going on a walk, to help us by giving anything you can.

Though the walk is an intimate form that serves small groups, its impact is profound. People from around the world have written to tell us that they now experience their everyday differently. This is why we do it!

THANK YOU _____!

Please let us add your name to the photo above, and make your tax-deductible donation here: <http://www.elastic-city.org/donate>

Thank you!

Love,
Todd
